

BIG RED INDUSTRIES GROUP
Health & Safety Statement
March 2021

It is the policy of BIG RED INDUSTRIES GROUP that health and safety be given the highest priority in all our work activities whether they take place in occupied or vacant properties.

The Company is committed to:

- ensuring that any health and safety risks arising from our work activities are properly managed
- ensuring that our work activities do not present any risks to our clients or to anyone who may be in the vicinity
- working to prevent accidents and work related ill health
- ensuring that it provides the correct plant or equipment for the tasks to be carried out
- ensuring that all plant or tools used by it are maintained properly
- ensuring there are adequate welfare facilities on all its jobs
- ensuring the safe handling, use and storage of materials whether solid, gas or liquids
- ensuring that appropriate Personal Protection Equipment is supplied where needed
- ensuring that all employees or sub-contractors are competent to do their tasks, and to give them adequate training and/or supervision
- reviewing this policy annually

Our stated aims and objectives for the year 2021 are:

- To ensure all H&S documentation is up to date
- Create KPI's for measurement, full year 2021
- Continue to work to ensure compliance
